

TAMPER EVIDENT SECURITY TAPE

TECHNICAL DATA SHEET

CODE: SK663-48

PROPERTIES: A total transfer security tape that bonds well to cardboard material. The product displays a 'VOID OPENED' message when the liner is opened or violated, and demonstrates excellent heat and cold resistance.

FEATURES: Can be easily applied to cartons and packaging, and exposes to reveal a clear VOID message. The product gives peace of mind that goods have not been tampered with during transportation. Custom printing is available.

APPLICATIONS: Ideally suited to industries where security is of utmost importance, including:

- Banking
- Courier bags
- Hospitality
- Fresh food
- Medical supplies
- In confidence documents
- Valuable goods
